

Corporate Reorganization

AC Avvocati e Commercialisti was engaged by the Judicial Administrator of Gilardoni S.p.A. – an Italian company that is a leader in the design and manufacturing of X-ray and ultrasound devices, OEM components and related services in the medical, security and non-destructive controls sectors – to provide legal and tax assistance in the context of a complex and delicate corporate reorganization.

The professionals involved are: Dr. Angelo Carlo Colombo (Managing Partner), Avv. Monica Biella (Senior Associate) on matters related to litigation and corporate law and Avv. Martino Canal (Partner) on labour law matters.
